Supporting Punctuality

Punctuality and attendance at Hayesfield are excellent and the vast majority of our students arrive in good time for registration and attend regularly.

From September, we will be focusing on both punctuality and attendance with the aim of improving them further.

All students will have a target of 95% attendance for the year 2011/2012. If a student attendance falls below this figure, we will contact parents.

All students should arrive before 8.25 am so that they are ready for registration which takes place at 8.30 am. All students who arrive late will be kept for 15 minutes at the end of the school day. We ask for your continued support in ensuring your daughter arrives in school on time.

Year 8 HPV Vaccination

The first HPV Vaccinations will take place on 22nd September 2011, followed by the second on the 20th October 2011 and the last one will be on the 15th March 2012.
