Week commencing Monday 18th January 2010

No 16 09/10

Week A

From the Headteacher:

I would like to commend all our examination students who struggled into school last week in such challenging conditions. I am pleased that the weather has now improved and that the cold spell we have been experiencing recently is at an end.

School has returned to normal and I know students will be keen to embrace the challenge of catching up on work missed and the resumption of activities.

Website

As you will have seen during this spell of bad weather, our website has been a vital source of information for parents and students alike. The website has lots of important information and news, as well as letters home, newsletters and useful links. Please check the website regularly for all our up-to-date news and information.

Year 8 HPV Vaccinations

Due to the weather conditions last week, the second set of the HPV vaccinations for Year 8 on Thursday 7th January was cancelled. The vaccinations have now been rearranged for Friday 22nd January 2010 during Period 1. Please can all students be aware they need to arrive in school on time, to avoid the risk of them missing this second in a set of three vaccinations.

Parentmail

Thank you to all parents who have returned the slips requesting to receive communications from the school via email. We have recently gone live with this system and parents are finding it extremely useful. If you would like to be added to the system, please complete the slip below and return it to the Main Office. Mrs Fairlie

Safe Places for after School

Lower School

The ICT room is open daily from 8.00am until 8.30am and after school until 4.15pm, for students to access the internet and work on their homework.

The Library is open daily at lunchtime for students' use.

Upper School

The Library is open daily from 8.15am until 5.00pm.

We do have a variety of After School Clubs for students to attend.

For more information about the clubs running at school, please visit the Community and Clubs section of our website (www.hayesfield.co.uk/community.asp) to see a PDF file with all listings for each year group. If you do not have access to a computer, black and white copies are available from the Lower School Office.

There is also a link on the Community section to see opportunities available to students, families, parents and the community. This is marked "Extended Learning and Holiday Clubs Link".

There are further links on the website to other outside providers of after school and outside of school care.
