

# Support Planning Service

How about some help to  
arrange your care package?

Take control, stay independent

Age Concern Bath and North East Somerset

At Age Concern Bath and North East Somerset, we offer a support planning service to help you as your circumstances change.

- Make choices about your living arrangements and care
- Stay independent, stay in your own home
- Take control – do it your way
- Make your budget go further

A support planner will help you to look at what care is possible within your budget. We will look into what's available for you and help you to plan. When you are ready, we can talk to care providers to put your support package in place. You do as much or as little as you are able to. Your family and friends can get involved too.

We offer advice on:

- Alternatives to residential care
- Simple and cost effective solutions
- Ways to maintain your social life
- Maximising your finances including benefit entitlements

To arrange a home visit,  
please telephone on **01225 466135**,  
e-mail us at [admin@acbanes.co.uk](mailto:admin@acbanes.co.uk),  
or write to us at  
**18 Kingsmead Square, Bath BA1 2AE.**
